Privacy Policy

Last updated: September 18, 2025

ANGLES Studios, LLC, a California limited liability company ("**Company**", "**we**", "**our**", or "**us**") respect your privacy and are committed to protecting it through our compliance with this policy. This policy describes how we collect, process, retain, and disclose personal data about you when providing services to you through our websites and services that link to this policy (our "**Services**") and our practices for using, maintaining, protecting, and disclosing that information.

This policy applies only to information we collect:

- Through the Services.
- In communications, including email, text, chat, and other electronic messages, between you and the Services.
- When you interact with our advertising and applications (including mobile apps) on third-party websites and services, if those applications or advertising include links to this policy.

It does not apply to information collected by:

- Us offline or through any other means, including on any other website operated by Company or any third party (including our affiliates and subsidiaries) that does not link to this policy; or
- Any third party (including our affiliates and subsidiaries), including through any application or content (including advertising) that may link to or be accessible from or through the Services.

We may provide additional or different privacy policies that are specific to certain features, services, or activities.

Please read this policy carefully to understand our policies and practices regarding your information and how we treat it. By interacting with our Services or providing us with your information, you agree to the collection, use, and sharing of your information as described in this privacy policy. This policy may change from time to time (see [Changes to Our Privacy Policy](#)). Your continued use of the Services after we make changes as described here is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Children's and Minors' Data

Our Services are not intended for, and we do not knowingly collect any personal data from, children under the age of 18. If we learn we have collected or received personal data from a child under 18 years old without verification of parental consent, we will delete that information.

The Personal Data That We Collect or Process

"**Personal data**" is information that identifies, relates to, or describes, directly or indirectly, you as an individual, such as your name, email address, telephone number, home address, or payment information (for example, account information such as name, postal address, and email address, or any other identifier we may use to contact you online or offline).

The types and categories of personal data we collect or process include:

- Account and contact information, including name, address (such as home address, work address, or other address), email address, phone number, username, and other contact information you provide us.

- [Payment information, including credit card or debit card information[and information about the payment methods and services (such as PayPal or Venmo) you use in connection with the Services].]
- Account history, including information about your subscription, account, transactions, purchases, order history, or discounts.
- Location information, including general geographic location such as country, state or province, or city.
- Device information, including your IP address, device identifiers, operating system and version, browser type and settings, and other device information.
- Content and information you elect to provide as part of your profile or in any reviews you make through the Services or emails, chats, or other communications sent to us.
- Images, voice recordings, and videos collected or stored in connection with the Services, if you have consented to such information collection.

If you are a California resident, to access our supplemental California privacy statement, visit our Privacy Policy (California Residents) annexed hereto.

We also collect:

- **Statistics or aggregated information.** Statistical or aggregated data does not directly identify a specific person, but we may derive non-personal statistical or aggregated data from personal data. For example, we may aggregate personal data to calculate the percentage of users accessing a specific Services feature.
- **Technical information.** Technical information includes information about your internet connection and usage details about your interactions with the Services, such as clickstream information to, through, and from our Services (including date and time), products that you view or search for; page response times, download errors, length of your visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), or methods used to browse away from a page.

If we combine or connect non-personal statistical or technical data with personal data so that it directly or indirectly identifies an individual, we treat the combined information as personal information.

How We Collect Your Personal and Other Data

You Provide Information to Us

We collect information about you when you interact with our Services, such as when you create or update an account, place an order, subscribe, or make a purchase or schedule a session, or create, upload, or post content to the Services, including reviews, media such as photos, videos, or audio recordings.

Automatically Through Our Services

As you navigate through and interact with our Services, we may use automatic data collection technologies to collect information that may include personal data. Information collected automatically may include usage details, IP addresses, operating system, and browser type, and information collected through cookies, and other tracking technologies including details of your interactions with our Services, such as traffic data, location data, logs, and other communication data, and which resources and Services features that you access and use.

Using automatic collection technologies helps us to improve our Services and to deliver a better and more personalized experience.

The technologies we use for this automatic data collection may include:

- **Cookies.** A cookie is a small file placed on your device when you interact with the Services. You may refuse to accept or disable cookies by activating the appropriate setting on your browser or device. However, if you select this setting, you may be unable to access certain features of the Services.
- **Web Beacons.** Some parts of the Services and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those parts or opened an email and for other related statistics (for example, recording the popularity of certain content and verifying system and server integrity).

To the extent any of these automated technologies are considered a personal data sale, targeted advertising, or profiling, under applicable laws, depending on where you live, you may opt out from use of these automated technologies for such uses. Please note that some Services features may be unavailable as a result.

When you interact with the Services, there are third parties that may use automatic collection technologies to collect information about your or your device. These third parties may include:

- Advertisers, ad networks, and ad servers.
- Your device manufacturer.
- Your internet or mobile service provider.

These third parties may use tracking technologies to collect information about you when you use the Services. The information they collect may be associated with your personal data or they may collect information, including personal data, about your online activities over time and across different websites, apps, platforms, and other online services. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content.

We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal data, to:

- Provide you with the Services and any contents, features, information, products, or services that we make available through the Services.
- Fulfill and manage subscriptions, purchases, orders, deliveries, and payments.
- Fulfill any other purpose for which you provide it.
- Provide you with notices about your account or subscription, including expiration and renewal notices.
- Improve our Services, including by analyzing your information and creating aggregated data derived from your information) to develop, maintain, analyze, improve, optimize, measure, and report on our Services and their features and how users interact with them.
- Promote our Services, business, and offerings by publishing advertising on our own Services and by placing ads on third parties' services. We may use your information to model, segment, target, offer, market, and advertise our Services.

- Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- Notify you when Services updates are available and about changes to any products or services we offer or provide through them.
- In any other way we may describe when you provide the information.
- For any other purpose with your consent.

The usage information we collect, whether connected to your personal data or not, helps us improve our Services and deliver a better and more personalized experience by enabling us to:

- Estimate our audience sizes and usage patterns.
- Store information about your preferences, allowing us to customize the Services according to your individual needs and interests.
- Speed up your searches.
- Recognize you when you return to our Services.

We may also use your information to contact you about goods and services that may be of interest to you. If you do not want us to use your information in this way, please check the relevant box located on the form on which we collect your data (the order form). For more information, see [Your Rights and Choices About Your Information](#).

Who We Disclose Your Information To

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction.

We may also disclose personal data that we collect or you provide as described in this privacy policy:

- To our subsidiaries and affiliates.
- To contractors, service providers, and other third parties we use to support our organization and who are bound by contractual obligations to keep personal data confidential and use it only for the purposes for which we disclose it to them.
- To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of ANGLES' assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal data held by ANGLES is among the assets transferred.
- To fulfill the purpose for which you provide it.
- For any other purpose disclosed by us when you provide the information.
- With your consent.

We may also disclose your personal data:

- To comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- To enforce or apply our terms of use and other agreements, including for billing and collection purposes.
- If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of our organization, our customers, or others.

The categories of personal data we may disclose include:

- Account and contact information.
- Account history, including information about your subscription, account, transactions, purchases, order history, or discounts.
- Location information.
- Device information.
- Content and information you elect to provide to us.
- Images, voice recordings, and videos collected or stored in connection with the Services, if you have consented to such information collection.

Your Rights and Choices About Your Information

This section describes mechanisms you can use to control certain uses and disclosures of your information and rights you may have under state law, depending on where you live.

Advertising, marketing, cookies, and other tracking technologies choices:

- **Cookies and Other Tracking Technologies.** You can set your browser to refuse all or some browser cookies or other tracking technology files, or to alert you when these files are being sent. If you disable or refuse cookies or similar tracking files, some Services features may be inaccessible or not function properly. Some browsers include a "Do Not Track" (DNT) setting that can send a signal to the online services you visit indicating you do not wish to be tracked.
- **Promotions by the Company.** If you do not wish us to use your information to promote our own or third parties' products or services, you can opt out.
- **Targeted Advertising by the Company.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target audience preferences, you can opt out.

Location data choices:

- **Location Data.** You can choose whether or not to allow the Services to collect and use real-time information about your device's location through the device's privacy settings. If you block the use of location information, some Services features may become inaccessible or not function properly.

Your State Privacy Rights

Depending on your state of residency, you may have certain rights related to your personal data, including:

- **Access and Data Portability.** You may confirm whether we process your personal data and access a copy of the personal data we process. To the extent feasible and required by state law, depending on your state, data will be provided in a portable format. Depending on your state, you may have the right to receive additional information and it will be included in the response to your access request.
- **Correction.** You may request that we correct inaccuracies in your personal data that we maintain, taking into account the information's nature and processing purpose.
- **Deletion.** You may request that we delete personal data about you that we maintain, subject to certain exceptions under applicable law.

- **Opt Out of Using Personal Data for Targeted Advertising, Profiling, and Sales.** You may request that we do not use your personal data for these purposes.

Important: The exact scope of these rights vary by state. There are also several exceptions where we may not have an obligation to fulfill your request.

To exercise any of these rights, please contact us by sending us a message on our Service or contacting us via the telephone number or email listed on our Service.

Some browsers and browser extensions support the Global Privacy Control (“**GPC**”) that can send a signal to process your request to opt out from certain types of data processing, including data "sales" as defined under certain laws. When we detect such a signal, we will make reasonable efforts to respect your choices indicated by a GPC setting as required by applicable law.

If you are a California resident, additional information applies to you. To access our supplemental California privacy statement and learn more about California residents' privacy rights, visit our Privacy Policy (California Residents) annexed hereto.

How We Protect Your Personal Data

We use commercially reasonable administrative, physical, and technical measures designed to protect your personal data from accidental loss or destruction and from unauthorized access, use, alteration, and disclosure. However, no website, mobile application, system, electronic storage, or online service is completely secure, and we cannot guarantee the security of your personal data transmitted to, through, using, or in connection with the Services. In particular, email, texts, and chats sent to or from the Services may not be secure, and you should carefully decide what information you send to us via such communications channels. Any transmission of personal data is at your own risk.

The safety and security of your information also depends on you. You are responsible for taking steps to protect your personal data against unauthorized use, disclosure, and access.

How We Retain Your Personal Data

We keep the categories of personal data described in this policy for as long as reasonably necessary to fulfill the purposes described or for as otherwise legally permitted or required, such as maintaining the Services, operating our organization, complying with our legal obligations, resolving disputes, and for safety, security, and fraud prevention. This means that we consider our legal and business obligations, potential risks of harm, and nature of the information when deciding how long to retain personal data. At the end of the retention period, personal data will be deleted, destroyed, or deidentified.

If you are a California resident, visit our Privacy Policy (California Residents) annexed hereto for more information about the retention periods that apply to the personal data categories we collect.

Changes to Our Privacy Policy

We may update this policy from time to time, and we will provide notice of any such changes to the policy as required by law. The date the privacy policy was last updated is identified at the top of the page. We will notify you of changes to this policy by updating the "last updated" date and posting the updated policy on the Services. We may email or otherwise communicate reminders about this policy, but you should check our Services periodically to see the current policy and any changes we have made to it.

Contact Information

To exercise your rights or ask questions or comment about this privacy policy or our privacy practices, contact us at: 7020 Hayvenhurst Ave., Van Nuys, CA 91406 or via email at [inquiries@anglesla.com].

ANGLES STUDIOS, LLC
Privacy Policy (California Residents)

Effective Date: September 18, 2025

Last Updated: September 18, 2025

This California Privacy Policy describes how ANGLES Studios, LLC, a California limited liability company and its subsidiaries, affiliates, and related entities (collectively, "ANGLES," "Company," "we," or "us") collect and process personal information about our consumers who reside in California. The California Consumer Privacy Act ("CCPA") requires us to provide our California consumers with a privacy policy that contains a comprehensive description of our online and offline practices regarding our collection, use, sale, sharing, and retention of their personal information, along with a description of the rights they have regarding their personal information. This Privacy Policy provides the information the CCPA requires, together with other useful information regarding our collection and use of personal information. Any terms defined in the CCPA have the same meaning when used in this policy.

This Privacy Policy does not apply to our collection and use of personal information from residents outside of California. Consumers residing in other locations should see our general privacy notice.

Personal Information Collected

We collect and use information that identifies, relates to, describes, references, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with a particular consumer or household ("**personal information**"). Personal information does **not** include:

- Publicly available information, including from government records, through widely distributed media, or that the consumer made publicly available without restricting it to a specific audience.
- Lawfully obtained, truthful information that is a matter of public concern.

Sources of Personal Information

We obtain the categories of personal information listed above from the following categories of sources:

- Directly from you, such as from the forms or other information you provide to the Company.
- Indirectly from you, such as from your interactions with the Company's websites, mobile applications, social media platforms, store visits, reward program participation, or customer service programs.
- From our service providers, such as customer service support providers, data analytics providers, and advertising networks.
- Other customers, such as from referral programs.
- Video and other similar surveillance systems.
- Inferences generated by the Company's or our service providers' computer systems.

How We Use Personal Information

Personal Information Collection, Use, and Disclosure Purposes

We may use and disclose the personal information we collect to advance the Company's business and commercial purposes, specifically to:

- Develop, offer, and provide you with our products and services.
- Meet our obligations and enforce our rights arising from any contracts with you, including for billing or collections, or to comply with legal requirements.
- Fulfil the purposes for which you provided your personal information or that were described to you at collection, and as the CCPA otherwise permits.
- Improve our products or services, marketing, or customer relationships and experiences.
- Notify you about changes to our products or services.
- Administer our systems and conduct internal operations, including for troubleshooting, data analysis, testing, research, statistical, and survey purposes.
- Enable your participation in our websites' or mobile apps' interactive, social media, or other similar features.
- Protect our Company, employees, or operations.
- Make suggestions and recommendations to you and other consumers about our goods or services that may interest you or them.
- Manage your consumer relationship with us, including for:
 - online account creation, maintenance, and security;
 - reaching you, when needed, about your account; and
- Perform data analytics and benchmarking.

- Administer and maintain the Company's systems and operations, including for safety purposes.
- Engage in corporate transactions requiring review of consumer records, such as for evaluating potential Company mergers and acquisitions.
- Comply with all applicable laws and regulations.
- Exercise or defend the legal rights of the Company and its employees, affiliates, customers, contractors, and agents.
- Respond to law enforcement requests and as required by applicable law or court order.

Sensitive Personal Information Use and Disclosure Purposes

We may use or disclose sensitive personal information for the following statutorily approved reasons (**Permitted SPI Purposes**):

- Performing actions that are necessary for our consumer relationship and that an average consumer in a relationship with us would reasonably expect.
- Preventing, detecting, and investigating security incidents that compromise the availability, authenticity, integrity, or confidentiality of stored or transmitted personal information.
- Defending against and prosecuting those responsible for malicious, deceptive, fraudulent, or illegal actions directed at the Company.
- Ensuring physical safety.
- Short-term, transient use, such as non-personalized advertising shown as part of your current interactions with us, where we do not:
 - disclose the sensitive personal information to another third party; or
 - use it to build a profile about you or otherwise alter your experience outside your current interaction with the Company.
- Services performed for the Company, including maintaining or servicing accounts, processing or fulfilling transactions, verifying consumer information, processing payments, or providing financing, analytic services, storage, or similar services for the Company.
- Activities required to:
 - verify or maintain the quality or safety of a product, service, or device that we own, manufacture, had manufactured, or control; or
 - improve, upgrade, or enhance the service or device that we own, manufacture, had manufactured, or controlled.
- Collecting or processing sensitive personal information that we do not use for the purpose of inferring characteristics about a consumer.

We do not use or disclose sensitive personal information for purposes other than the Permitted SPI Purposes.

Additional Categories or Other Purposes

We will not collect additional categories of personal information or use the personal information we collected for materially different, unrelated, or incompatible purposes without providing you notice. If required by law, we will also seek your consent before using your personal information for a new or unrelated purpose.

We may collect, process, and disclose aggregated or deidentified consumer information for any purpose, without restriction. When we collect, process, or disclose aggregated or deidentified consumer information, we will maintain and use it in deidentified form and will not attempt to reidentify the information, except to determine whether our deidentification processes satisfies any applicable legal requirements.

Disclosing, Selling, or Sharing Personal Information

Business Purpose Disclosures

We have disclosed consumers' personal information to third parties for a business purpose in the preceding 12 months.

Selling or Sharing Personal Information

We do not sell your personal information third parties and have not sold it in the preceding 12 months. We do not share your personal information with third parties for cross-context behavioral advertising purposes and have not shared your personal information in the preceding 12 months.

Your Rights and Choices

If you are a California resident, the CCPA grants you the following rights regarding your personal information:

Right to Know and Data Portability Requests

You have the right to request that we disclose certain information to you about our collection and use of your personal information (the "**right to know**"), including the specific pieces of personal information we have collected about you (a "**data portability request**"). Our response will cover the 12-month period preceding the request, although we will honor requests to cover a longer period that do not extend past January 1, 2022, unless doing so would be impossible or involves disproportionate effort. You may make exercise your right to know **twice** within any 12-month period. Once we receive your request and confirm your identity (see [How to Exercise Your Rights](#)), we will disclose to you:

- The categories of:
 - personal information we collected about you; and
 - sources from which we collected your personal information.
- The business or commercial purpose for collecting your personal information and, if applicable, selling or sharing your personal information.
- If applicable, the categories of persons, including third parties, to whom we disclosed your personal information, including separate disclosures identifying the categories of your personal information that we:
 - disclosed for a business purpose to each category of persons; and
 - sold or shared to each category of third parties.
- When your right to know submission includes a data portability request, a copy of your personal information subject to any permitted redactions.

For more on exercising this right, see [Exercising the Rights to Know, Delete, or Correct](#).

Right to Delete and Right to Correct

You have the right to request that we delete any of your personal information that we collected from you and retained, subject to certain exceptions and limitations (the "**right to delete**"). Once we receive your request and confirm your identity, we will delete your personal information from our systems unless an

exception allows us to retain it. We will also notify our service providers, contractors, and other recipients to take appropriate action.

You also have the right to request correction of personal information we maintain about you that you believe is inaccurate (the "**right to correct**"). We may require you to provide documentation, if needed, to confirm your identity and support your claim that the information is inaccurate. Unless an exception applies, we will correct personal information that our review determines is inaccurate and notify our service providers, contractors, and other recipients to take appropriate action.

For more on exercising these rights, see [Exercising the Rights to Know, Delete, or Correct](#).

Right to Limit Sensitive Personal Information Use and Disclosure to Permitted SPI Purposes

You have a right to ask businesses that use or disclose your sensitive personal information to limit those actions to just the CCPA's Permitted SPI Purposes (the "**right to limit**"). Once we receive your valid request, we will limit the use and disclosure of your sensitive personal information to the Permitted SPI Purposes. For more on exercising this right, see [Exercising the Right to Opt-Out](#).

For more on the Permitted SPI Purposes, see [Sensitive Personal Information Use and Disclosure Purposes](#).

Personal Information Sales or Sharing Opt-Out and Opt-In Rights

You have the right to request that businesses stop sharing your personal information at any time (the "**right to opt-out**"), including through a user-enabled opt-out preference signal. Similarly, the CCPA prohibits businesses from selling or sharing the personal information of consumers it actually knows are under 16 years old without first obtaining consent from consumers who are between 13 and 15 years old or the consumer's parent or guardian for consumers under age 13 (the "**right to opt-in**").

We cannot share your personal information after we receive your request to opt-out unless you later consent to the sharing of your personal information. For more on exercising your opt-out rights, see [Exercising the Right to Opt-Out](#).

Right to Non-Discrimination

You have the right not to be discriminated or retaliated against for exercising any of your privacy rights under the CCPA.

How to Exercise Your Rights

Exercising the Rights to Know, Delete, or Correct

To exercise the right to know, data portability, delete, or correct described above, please submit a verifiable request to us by either:

- Calling us at [[+1 310-601-0849].
- Emailing us at inquiries@anglesla.com.
- Visiting <https://www.anglesla.com>

Please describe your request with sufficient detail so we can properly understand, evaluate, and respond to it. You or your authorized agent may only submit a request to know, including for data portability, twice within a 12-month period.

Exercising the Right to Opt-Out

You can submit your request to opt-out through:

- Calling us at [TOLL-FREE NUMBER].

- Emailing us at inquiries@anglesla.com.

Responding to Your Requests to Know, Delete, or Correct

We will confirm receipt of your request within ten business days.

We endeavor to substantively respond to a verifiable request within 45 days of its receipt. If we require more time (up to another 45 days), we will inform you of the reason and extension period in writing. We will deliver our written response to your verified email address. Our substantive response will tell you whether or not we have complied with your request. If we cannot comply with your request in whole or in part, we will explain the reason, subject to any legal or regulatory restrictions. Applicable law may allow or require us to refuse to provide you with access to some or all of the personal information that we hold about you, or we may have destroyed, deleted, or made your personal information anonymous in compliance with our record retention policies and obligations.

Any disclosures we provide will cover information for the 12-month period preceding the request's receipt date. We will consider requests to provide a longer disclosure period that do not extend past January 1, 2022, unless providing the longer timeframe would be impossible or involves disproportionate effort.

For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance.

We do not charge a fee to process or respond to your verifiable request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

Response and Timing on Rights to Opt-Out

In response to your request to opt-out, we will process your request, as soon as feasibly possible, but no later than 15 business days from the date we receive the request. We will only use personal information provided from your request to comply with the request.

Once you make a request to opt-out, we will wait at least 12 months before asking you to reauthorize personal information sales or sharing. However, you may change your mind and opt back in at any time.

Privacy Policy Changes

We reserve the right to update this Privacy Policy at any time, as we continue to develop our compliance program in response to legal developments of the CCPA. If we make any material changes to this Privacy Policy, we will update the policy's effective date and post the updated policy on our website.
